Nancy Schuman : The Everything Resume Book: Create a winning resume that stands out from the crowd (Everythingreg;) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Everything Resume Book: Create a winning resume that stands out from the crowd (Everythingreg;):

1 of 1 people found the following review helpful. A Helpful Resume BookBy WFI found this book very helpful in terms of how to approach writing my resume. It's quite up-to-date and provides many sample resumes. I do think there could be more information about writing cover letters and conducting interviews.2 of 4 people found the following review helpful. Insightful Job Advice!!By WriteStuff31After losing my job as a Marketing Manager last year, I needed all the help I could get to improve my game, especially right now with the fierce competition out there. I purchased Ms. Schuman's Everything Resume and Everything Job Interview books to see how I could tighten up my resume, maximize my job search efforts and brush up on my interview skills. Her clever writing, insightful advice and overall knowledge of the world of employment really gave me the edge I needed. I've since landed a job at a top-notch marketing firm in Manhattan and I certainly attribute part of my success to the contents within this book. Now take MY advice... add this book to your collection today!

A resume is like the first thirty seconds of a blind date—one with a prospective employer. That's all the time you have to get a hiring authority's attention and—hopefully—an interview. A bad resume will absolutely eliminate you from the competition. Building a strong resume is the single most important step in landing a new job. The Everything Resume Book, 3rd Edition is your one-stop resource for crafting a resume that will highlight your skills and experience to get you the job you want. This hands-on guide offers helpful hints on format and presentation and includes the most up-to-date guidelines for using the Internet in your job search. This completely revised and updated edition includes new information on: Job boards and the best Web resources for job seekers Using resumes as a personal brand The advantages and disadvantages of video resumes Social networking sites in the job search Generation gap issues relating to resumes Resume blogs Bursting with more than 100 sample resumes for a wide range of professions, this guide contains the information you need to command a prospective employer's attention and score that all-important interview.

About the Author Nancy Schuman's career spans twenty-seven years in the staffing and employment industry; she is currently a vice president at Lloyd Staffing. She is the author of five career guidance books, including *Revising Your Resume* and *From College to Career*. She estimates that she has written or created more than 6,500 resumes for job seekers in all fields and job titles. Since 2006, she has been the resident weekly Jobs and Careers columnist for *The Long Island Press*. Schuman holds a master's degree from Indiana University and lives in East Northport, NY.
