International Monetary Fund : The Exchange Rate System: Lessons of the Past and Options for the Future before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Exchange Rate System: Lessons of the Past and Options for the Future:

The last few years have witnessed a resurgence of calls for a re-examination, or perhaps even a reform, of the international monetary system. This paper contributes to the ongoing debate on that subject in three ways: 1 it suggests a set of criteria for evaluating alternative exchange rate systems; 2 it provides a comprehensive appraisal of a decade of experience with the present exchange rate system in terms of those criteria; and 3 it selects some key issues as a

basis for discussion on how the evolution of the exchange rate system might best be managed over the medium term.
