Joseph W. Koletar : The FBI Career Guide: Inside Information on Getting Chosen for and Succeeding in One of the Toughest, Most Prestigious Jobs in the World before purchasing it in order to gage whether or not it would be worth my time, and all praised The FBI Career Guide: Inside Information on Getting Chosen for and Succeeding in One of the Toughest, Most Prestigious Jobs in the World:

3 of 3 people found the following review helpful. I enjoyed reading itBy CustomerWas a very informative book. I enjoyed reading it, but honestly the information in the book can be found on the internet. It did help me answer one of my biggest questions about the FBI so I was grateful for that.2 of 2 people found the following review helpful. It gave me a better understanding of what the life and career of an ...By PedroIt gave me a better understanding of what the life and career of an FBI agent will be like.I recommend it to anyone who might be interested in becoming a FBI special agent.0 of 0 people found the following review helpful. Happy CustomerBy MaCatHappy Customer...gave as a gift and recipient liked book

"In the three years following the September 11th, 2001, terrorist attacks, the Federal Bureau of Investigation hired 2,200 new Special Agents. But that was out of more than 150,000 applicants, and you can be sure the successful candidates had not only relevant backgrounds, but also determination and a genuine desire to embark on one of the most coveted, rewarding, and challenging careers in the world. The FBI Career Guide spells out exactly what the Bureau is looking for in Special Agent candidates, and how to maximize your chances of being selected from the huge applicant pool. Joe Koletar, whose own blue-ribbon career at the Bureau is second to none, shows how to get the job-- and how to thrive once you've got it. His inside look at the real FBI reveals: * Smart educational and career decisions to improve your odds of being hired * How to meet and network with current FBI agents * What Special Agents do, day-to-day, in different roles and environments * How undercover investigations, SWAT team operations, and specialty assignments work * What agents earn, and what benefits they receive * The prospects for advancement, and some typical (and not so typical) career paths * How the job may affect your personal and family life And much more The FBI Career Guide also reveals the common mistakes applicants make, and shows how to avoid them. And it gives you detailed information on excelling in the Agent Training Program. Finally, the book offers profiles of real agents who have gone on to successful post-FBI careers, and will help you lay the groundwork for a rewarding life after the Bureau. Above all, The FBI Career Guide will help you find out if you've got what it takes to succeed -- and if you do, how to show it."

From the Back Cover In the three years following the September 11th, 2001, terrorist attacks, the Federal Bureau of Investigation hired 2,200 new Special Agents.
