Vahan Janjigian, Stephen M. Horan, Charles Trzcinka : The Forbes / CFA Institute Investment Course: Timeless Principles for Building Wealth before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Forbes / CFA Institute Investment Course: Timeless Principles for Building Wealth:

2 of 2 people found the following review helpful. especially as a relatively inexperienced investor looking for good advice, tipsBy Erik H. SchotEven as a relatively new investor, I find the book to be somewhat superficial and without sufficient "meat" to bite into, especially as a relatively inexperienced investor looking for good advice, tips, and

criteria by which to determine the pros cons of an investment: Stocks, Bonds, Funds, MLPs, etc..Respectfully,Dr. Erik H. Schot, PhD, Prof. Geologist3 of 3 people found the following review helpful. Wonderful Finance Book To Get You StartedBy John HumphreysI started working in finance last year and have been debating taking a CFA in the year future. Having never had any significant exposure to finance (I'm a software guy), I found this book very easy to read and very enlightening. I've read multiple other financial books in the last few months, and I think this is the best one to get a person started in the field (especially for personal investors).0 of 0 people found the following review helpful. Five StarsBy StevenGreat book on learning the basics.

The most up-to-date and all encompassing guide to investing in today's markets From Forbes and the CFA Institute-two of the most highly respected and recognized names in the investment industry-The Forbes/CFA Institute Investment Course is an interactive roadmap to investing in today's challenging stock markets.
