An excellent guide for companies and individuals alikeBy A CustomerThe Global 200 Executive Recruiters is another proof of Nancy Garrison Jenn's in-depth knowledge of the world's executive recruitment market. Though interesting for recruiting companies to learn about their sector and their competitive position, the book is particularly of help to their clients and potential clients in assessing executive search

firms and the recruiters with those firms. The Global 200 provides very useful and detailed information regarding recruiters and their expertise, both in terms of business sector specialization, as well as local, regional or global orientation. It is an excellent guide for both smaller companies and larger corporations on their path to find the executive talent they need to build a sustainable competitive edge.0 of 3 people found the following review helpful. A quick study of "Who's Who" in the search industryBy A CustomerNancy Garrison Jenn has taken upon herself the challenge of boiling down a highly fragmented industry into a meaningful knowledge base that can be used by corporate executives and individuals to network to solve both business and career needs. Her summary chapters on how to select a recruiter and advice to both corporations and individuals provides a quick study on critical issues affecting all parties concerned. While some in the industry may quibble with her selection of individuals, without question she has identified the "Who's Who" of the search industry, reflecting a credible balance between US-based and global search professionals. Without question it is the only work of its kind.5 of 8 people found the following review helpful. A first in the retainer executive search fieldBy A CustomerNancy Garrison Jenn has pulled off another first in the retainer executive search field - a comprehensive list of 200 executive search consultants who work in a global environment. This is an excellent cross section of the experienced people in our profession. "The Global 200 Executive Recruiters" should be in every person's library.

The Ultimate Guide to Finding the Talent--or the Job--You Need I have always been very impressed by Nancy Garrison-Jenn's knowledge and consider her the world's foremost expert on executive search. Her book will provide invaluable information to companies and individuals evaluating global search companies and consultants. --John de Leeuw, group human resources director, DIAGEO No matter the geographic scope of your business, this is the definitive source on how to recruit the executive talent you need. Here, top industry insider Nancy Garrison-Jenn profiles over two hundred of the world's most successful executive recruiters, providing in-depth information on their backgrounds and specific areas of expertise. Unique in its international scope, this reference is thoroughly indexed for easy use and filled with expert advice on how companies and job seekers alike can find a recruiter best suited to their purposes.
