From Chandos Publishing : The Globalisation of Executives and Economies: Lessons from Thailand (Chandos Asian Studies Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Globalisation of Executives and Economies: Lessons from Thailand (Chandos Asian Studies Series):

How has globalisation affected the executives and economy of Thailand, one of the most dynamically growing countries in East Asia? This book provides coverage of crucial industrial sectors in the Thai economy, comparisons between the past and the present Thai economy and a variety of studies aiming to explain the behaviour of Thai executives and consumers. A comprehensive approach to the globalisation of Thai executives and companies. Written by a variety of industry and academic specialists. Avoids academic jargon in explaining real-life issues in an easy to read style.

About the Author John Walsh has over 10 years' experience in academic and corporate libraries. He is currently a PhD Student of the School for Information Resources and Library Science at the University of Arizona in Tucson, AZ. He has been researching the effectiveness of information literacy instruction since 2006 and currently works in access services at Cochise College Libraries in Sierra Vista, AZ.
