From OUP Oxford : **The Handbook of Mortgage-Backed Securities, 7th Edition** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Handbook of Mortgage-Backed Securities, 7th Edition:

This edition of The Handbook of Mortgage-Backed Securities, the first revision following the subprime mortgage crisis, is designed to provide not only the fundamentals of these securities and the investment characteristics that make them attractive to a broad range of investors, but also extensive coverage on the state-of-the-art strategies for capitalizing on the opportunities in this market. The book is intended for both the individual investor and

the professional manager. The volume includes contributions from a wide range of experts most of whom have been actively involved in the evolution of the mortgage-backed securities market.
