Constance M. Brown : The Illustrated Guide to Technical Analysis Signals and Phrases before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Illustrated Guide to Technical Analysis Signals and Phrases:

A handy, clear, easy-to-use reference guide to the most important charts in technical analysis; charts only, virtually no text to bog down the user in getting what he wants when he wants it The book will feature one chart per page that will be clearly labelled as to the pattern being illustrated. The author provides an introduction explaining what the book does, how to use the book, and how it is organized.
