Harold Hillman : The Impostor Syndrome: Becoming an Authentic Leader before purchasing it in order to gage whether or not it would be worth my time, and all praised The Impostor Syndrome: Becoming an Authentic Leader:

4 of 4 people found the following review helpful. Finding the real youBy 2RobertsThis booked is packed with aha moments, that make it alright to be imperfect and the real you. It's ok, to be human, it's ok to not always be right, and most importantly it's ok to need others. Authentic leadership is about all this and most importantly it's about creating the environment for all of that suffer from the imposter syndrome to thrive. A great book for anyone who wants to be the best they can be and wants the best for others. Bring it on. Thanks Harold for another great conversation.

How to be a better leader, confident in your own abilities. Many people privately fear they are not properly qualified to do the job they have been appointed to - and this fear undermines their capabilities. Learn how to overcome this problem and become a better, stronger leader. Be able to express your fears and recognise your weaknesses, but also be able to harness your strengths and those of your team to the best effect.

About the Author Harold Hillman, Ph.D is the Managing Director of Sigmoid Curve Consulting Group. Prior to Sigmoid, Hillman served in senior executive roles with Fonterra, Prudential Financial, and Amoco Corporation. Trained early in his career as a clinical psychologist, he moved in the direction of leadership and management development after serving on the faculty at the United States Air Force Academy. Hillman earned his EdM from Harvard University and a PhD in Clinical Psychology from the University of Pittsburgh.
