**G. Forster : The Influence of Islamic Values on Management Practice** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Influence of Islamic Values on Management Practice:

The Influence of Islamic Values on Management Practice is a cultural study examining how Islamic values influence management practice. Using Morocco as a case study, and with academic research and actual business managers

working in this context, the book explores and explains how national characteristics, including Islam, shape management practice

About the Author Gillian Forster is the Programme Director of the Organisation and Human Resource Management and Development programmes and lecturer of Organisation, Management Development and People Management Modules at Northumbria University, UK. She joined NBS in 1993 following a number of years working in a variety of roles in the design profession, including training and development, corporate sponsorship and public relations. Gillian's main research interests are in the field of organisation studies, in particular organisation culture and international/cross-cultural management together with pedagogical developments relating to international students.
