Julie Perry : The Insiders' Guide to Becoming a Yacht Stewardess 2nd Edition: Confessions from My Years Afloat with the Rich and Famous before purchasing it in order to gage whether or not it would be worth my time, and all praised The Insiders' Guide to Becoming a Yacht Stewardess 2nd Edition: Confessions from My Years Afloat with the Rich and Famous:

4 of 4 people found the following review helpful. Great Book!By Melissa McI never read a book so fast in my life.

This book was so helpful to get a clear understanding on how to get into the yachting industry and becoming a stewardess. My favorite parts are the I Must Confess sections throughout the book (I wish there was more!). I always enjoy hearing about people's experiences. There was humor throughout the chapters which really kept me intrigued in reading. Being a writer myself for a local boating magazine in New York, I always try to add humor to my stories. People love to laugh, and you will most likely laugh when reading Julie's book! I definitely recommend reading this to whoever is interested in this line of work. If you are not interested, then you can still get great stories and information about the yachting life. I really want to become a stewardess because being out on the water and on boats is my passion. I just have to finish college first and then I am on my way at starting my future in the yachting industry. I will have this book along side me to help me through the path to success! Thank you Julie Perry for writing this book! I really enjoyed it!

By Victoria Allman I was so glad to hear Julie Perry decided to rerelease *The Insiders' Guide to Becoming a Yacht Stewardess* completely updated and revised. This is the first book I read about yachting when I joined the industry and have kept it on each boat I've worked as a well-used reference. Julie's step-by-step of how-to-get-a-job-on-a-yacht and what to expect should be read by everyone entertaining the idea of jumping on board. She shares her first hand knowledge of what life is like on a yacht and what the job entails. If yachting looks glamorous to you, BUY THIS BOOK! Julie tells it like it is and you will have a much broader understanding of what is required of you onboard after being hired. Her straight-forward, easy-to-navigate style on the page will walk you through the courses needed, who to talk to, where to go, and what to do to get hired. Anyone looking to take their love of the sea and travel to a professional level should read this well-written and well-researched book. It's chock full of great information and amusing stories of life as a crew member. This is a must-have for every future yachtie!

Victoria Allman Author of: *SEAsoned: A Chef's Journey with Her Captain*

By HH The book gives an excellent look in to the industry and ties the reader to it. Loved the I confess -parts :)

A sea of opportunity awaits you in one of the world's most exciting industries: LUXURY YACHTING. Imagine yourself: Living basically expense-free on a floating, five-star hotel with the chance to explore such exclusive celebrity hot spots as St. Tropez, Portofino, and St. Barts. Getting paid outstanding money to travel in style aboard these \$5 million+ mega vessels (and we're NOT talking cruise ships here!) Networking with a high-profile, jet-set crowd as you venture to the most exotic and remote ports in the world. . . Learn HOW in the updated, 2nd edition of *The Insider's Guide to Becoming a Yacht Stewardess* and be working aboard a luxury yacht in no time! This book is dedicated to making your journey as easy and hassle-free as possible. . . *The Insiders' Guide to Becoming a Yacht Stewardess* offers: Candid personal stories from working with the rich famous aboard large yachts Three full chapters devoted to a yacht steward's many responsibilities--from chamber maid to party planner Three more chapters all about the megayacht industry: You'll gain insight into how big these vessels are, who owns them, how much they cost, where they travel, what they're like inside, and more important for you if you're considering this as a career path, who works on them. An easy-to-follow Quick Start Guide to landing your first crew job Suggested courses to enroll in as entry-level crew to increase your job prospects Resource lists and contact information for crew recruiting agencies, crew training schools, and crew housing options in the U.S., Europe, Australia, and South Africa Insider tips from dozens of industry professionals Recommendations to help you fund your job hunt and conduct your job search online Guidance on putting together a winning resume; CV and advice on how to handle crew-job interviews A Foreword written by Adrienne Gang, the chief stewardess on the first season of Bravo TV's hit reality show *Below Deck* From the pay to the people to the travel, this *Insiders' Guide* also covers all the perks that make luxury yachting such a dynamic and incredible career path... no matter what your background! Let seasoned travel professional Julie Perry be your guide to the private domain where royalty, celebrities, and billionaires vacation.

From the Author "Trust me, if a non-bed-making, non-laundry-doing, hardly-ever-cleaned-her-room-during-adolescence, scatterbrain from landlocked Indiana can do it, anyone can!" - Julie Perry, Author

About the Author Julie Perry spent three years as a megayacht stewardess, which took her to over 40 different ports in 18 countries. And she can tell you how to do it too. The first edition of her book, *The Insiders' Guide to Becoming a Yacht Stewardess*, has been a must-read guide for yacht crew since 2006. With the release of her updated, second edition, Julie hopes to continue to help wannabe "yachties" get into this awe-inspiring industry---if not simply entertain those intrigued by such a career path. Currently a digital-marketing executive living in landlocked Indiana, Julie stays connected to the yachting community by attending megayacht shows year-round and speaking at marine events. She doesn't miss cleaning toilets for the world's wealthiest, but she does miss traveling the high seas with them... Instead, she writes about it.
