Global Opportunities for Private Investments in Public Equity (Bloomberg):

Regulatory changes, market fluctuation, and new deal structures have ushered in a new era for the PIPEs market. Companies must understand the complexities of a market gone global, with private investments in public equity expanding in the United States as well as in Asia and Europe. Steven Dresner brings together an all-star cast of contributors in his follow-up to *PIPEs: A Guide to Private Investments in Public Equity*, focusing this new book on the most prescient topics for informed readers. With chapters on international PIPEs, new deal structures, the latest legal complications, and the most recent regulation, Dresner's new book details the changes in the PIPEs market, with an emphasis on the matters most closely tied to issuers. Steven Dresner is the founder of DealFlow Media, a publishing, database, and events company focused on analysis of emerging financial markets. He is also an active investor.
