From Routledge : The Italian Multinationals (RLE International Business) (Routledge Library Editions: International Business) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Italian Multinationals (RLE International Business) (Routledge Library Editions: International Business):

This book, based on extensive, original, detailed research presents a comprehensive overview of the Italian multinationals and their activities during the 1990s. It: surveys the size, geographical and sectoral distribution of Italian multinationals; examines why they went international, how and what they gained; discusses the strategic position of Italian multinationals in the world economy; examines the effect of multinationals investment both inward and outward on the Italian economy; provides detail on individual companies
