**Janet Kidd Stewart : The Journey: Questions and Answers About Retirement Saving, Investing and Health Care** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Journey: Questions and Answers About Retirement Saving, Investing and Health Care:

0 of 0 people found the following review helpful. Sound, actionable advice on important aspects of your financial life By David B. Yeske Having followed Janet's syndicated column for many years, I've always known she has a knack for taking complex financial planning concepts and making them accessible and actionable for any interested reader.

Janet has now distilled much of that wisdom into this wonderful book, which covers all aspects of saving and investing in pursuit of a comfortable, anxiety-free retirement. A must read!

Five Stars  
By Norman Retzke  
I've been fortunate to present my financial plan to Ms. Stewart and to have it critiqued.

Planning for retirement can be as complicated as it is daunting, especially if you don't have the wisdom of a financial planner at your side. It is with that in mind that Janet Kidd Stewart writes the weekly Chicago Tribune column "The Journey," which provides intelligent, straightforward, and personalized tips on how to best save for retirement. Now the best of Janet Kidd Stewart's sage advice has been conveniently collected in *The Journey: Questions and Answers About Retirement Saving, Investing and Health Care*. Taken from her weekly Chicago Tribune columns, this book can serve as an excellent primer for retirement planning regardless of age or income. The advice is up-to-date and plainly put, allowing the average person to better understand the ins and outs of Social Security, Medicare, annuities, mortgages, and wills, as well as pensions, IRAs, and 401(k)s. Written in the friendly and insightful tone that has made Stewart's columns a popular feature, *The Journey* takes readers' questions about personal and specific situations and details thoughtful, practical answers that can be applicable to many individuals in similar scenarios. Stewart peppers in additional counsel on a variety of topics to supplement these questions, making this book a comprehensive but quick read for anyone curious about whether their future is secure.
