By Gilbert I chose four stars because I am comparing this to the other 5 star book written by the same authors "The Organization of the Future". Book is well written. No complaints. Makes for a great gift to your boss or as an addition to the library that may act as a guide to leadership and skills. 0 of 0 people found the following review helpful. Five Stars By Remonia Thought provoking to change the trajectory of 21st century leadership. 3 of 3 people found the following review helpful. An awesome collection! By Mark C. Howell An awesome collection! Jim Kouzes, Peter Senge, Edgar Schein. A great list of contributors. Some of the very best thinking on leadership, strategic thinking, and change. Senge's article on the basic fundamentals for sound leadership in a changing world is nearly worth the price of the book on its own. If that article isn't enough, Edgar Schein's contribution on leadership competencies is just excellent. You'll find yourself rethinking a number of assumptions about what leaders do.

The Leader of the Future 2 follows in the footsteps of the international bestseller The Leader of the Future, which has been translated into twenty-eight languages, and is one of the most widely distributed edited collections on leadership to date. In twenty-seven inspiring and insightful essays, this book celebrates the wisdom of some of the most recognized thought leaders of our day who share their unique vision of leadership for the future. Returning Contributors: Ken Blanchard with Dennis Carey, Stephen Covey, Marshall Goldsmith, Charles Handy, Sally Helgesen, Rosabeth Moss Kanter, Jim Kouzes Barry Posner, Richard Leider, Ed Schein, Peter Senge, and Dave Ulrich with Norm Smallwood. New Contributors: John Alexander, Darlyne Bailey, Howard Gardner with Lynn Barendsen, Usman Ghani, Ronald Heifetz, Joe Maciariello, Jan Masaoka, John Mroz, Brian O'Connell, Jeff Pfeffer, Ponchitta Pierce, Srikumar Rao, General Eric Shinseki, R. Roosevelt Thomas, Noel Tichy with Chris DeRose, and Tom Tierney. "Hesselbein and Marshall Goldsmith, one of the USA's top executive coaches, edited the collection The Leader of the Future 2. Its 27 eloquent essays provide a kind of hopeful, idealistic best-case scenario for future leaders of non-profits and businesses. This is not a cookie-cutter, how-to approach. The job of the essayists is to provide food for thought and goals. The high quality of writing here should inspire anyone who has aspirations for leadership." —Bruce Rosenstein, USA Today

In twenty-seven inspiring and insightful essays, this book celebrates the wisdom of some of the most recognized thought leaders of our day who share their unique visions of leadership for the future. Our post-9/11 world presents new and unexpected challenges for present and future leaders, and the articles in this book reaffirm, reconsider, and expand on the basic principles and values of leadership as they apply to emerging and unforeseen challenges, opportunities, and trends. This diverse group of authors speaks to all of us — inspiring, guiding, and sustaining leaders of today and tomorrow, delivering a battle cry that will mobilize the leaders of the future in our increasingly turbulent and uncertain world. From the Back Cover Since it was published in 1996, The Leader of the Future has become a standard in the field, breaking new ground in leadership literature to establish itself as one of the most widely distributed, bestselling edited collections on the topic. Now, ten years later, with all new contributions, The Leader of the Future 2 again gives voice to the most critical issues and transformative ideas of our day. This book features a Who's Who of today's top leadership thinkers from the private, public, and social sectors. A number of thought leaders from the first Leader of the Future return, along with some exciting newcomers, to offer new insights, inspiration, and wisdom that will resonate for decades to come.
