**Ben Stein, Phil DeMuth : The Little Book of Alternative Investments: Reaping Rewards by Daring to be Different (Little Books. Big Profits)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Little Book of Alternative Investments: Reaping Rewards by Daring to be Different (Little Books. Big Profits):

1 of 1 people found the following review helpful. just enough detailBy Suzette Mahnekegreat little book just enough detail to get you started2 of 2 people found the following review helpful. Great Book for InvestorsBy J Craig BellWithout being a dry academic tome, this book clearly explains the role of alternative investments in an investment

portfolio. It explains what works, and why, and how much you need -- as well as explaining what does NOT work. It explains how hedge funds work, and the explanation is clear enough that a lay person can understand. It even suggests a few specific securities to consider as "starting points" (not recommendations) in your search. The authors attempted to be humorous (a good thing), but were a little too folksy for my personal taste. 1 of 1 people found the following review helpful. Good Common SenseBy JSFor those wanting a peek behind the curtain of Hedge Funds with a great fundamental lesson in your Portfolio management, I loved it.

Praise For THE LITTLE BOOK OF ALTERNATIVE INVESTMENTS "Ben and Phil have done it again. Another lucid, insightful book, designed to enhance your wealth! In today's stock-addled cult of equities, there is a gaping hole in most investors' portfolios...the whole panoply of alternative investments that can simultaneously help us cut our risk, better hedge our inflation risk, and boost our return. This Little Book is filled with big ideas on how to make these markets and strategies a treasured part of our investing toolkit." mdash;Robert Arnott, Chairman, Research Affiliates "I have been reading Ben Stein for thirty-five years and Phil DeMuth since he joined up with Ben ten years ago. They do solid work, and this latest is no exception." mdash;Jim Rogers, author of A Gift to My Children "If anyone can make hedge funds sexy, Stein and DeMuth can, and they've done it with style in this engaging, instructive, and tasteful how-to guide for investing in alternatives. But you should read this Kama Sutra of investment manuals not just for the thrills, but also to learn how to avoid the hazards of promiscuous and unprotected investing." mdash;Andrew Lo, Professor and Director, MIT Laboratory for Financial Engineering
