Michael Bunting : The Mindful Leader: 7 Practices for Transforming Your Leadership, Your Organisation and Your Life before purchasing it in order to gage whether or not it would be worth my time, and all praised The Mindful Leader: 7 Practices for Transforming Your Leadership, Your Organisation and Your Life:

0 of 0 people found the following review helpful. Really like this bookBy GarrelReally like this book, recommended by a colleague. It's a solid text for self-knowledge of mindful leadership and also valuable as a teaching resource.0 of 0

people found the following review helpful. An excellent book
By Customer Michael Bunting's book is excellent because it integrates practical experience in engaging with leaders with a long-standing and in-depth practice of mindfulness himself. He systematically addresses the pragmatic and profound ways that mindfulness can be applied in a leadership context. He explores the research relevant to his topic in a simple and an engaging way. Read it!

By Customer Great combination of spiritual and business where we learn to operate as a leader from the heart, knowing that our working lives are an extension of our essential nature

The ultimate guide to becoming an extraordinary leader — while finding happiness, gaining authenticity, and banishing stress Integrating proven mindfulness practices and world-class leadership theory, *The Mindful Leader* is the essential guide for self-aware leadership. The book simplifies mindfulness principles and links them solidly to business benefits. It provides a practically-grounded template for leaders to develop unprecedented levels of self-awareness, wellbeing and effectiveness. Research findings throughout the book detail the positive impact of mindfulness from the perspectives of brain science, psychology and leadership. International case studies from a variety of industries illustrate the everyday implementation of mindful leadership. You'll learn easy mindfulness practices that you can implement today and a practical framework for everyday mindful leadership. You'll also be given access to online resources for vision reflections, values clarification, mindfulness practices and more. Mindful leadership is a hot topic — but it's not as simple as "when you become mindful, great leadership will spontaneously happen." This book serves as both mindfulness training and leadership training, clarifying the parallel while guiding you through the many points of intersection. Improve your leadership skills via context-specific mindfulness practices Learn mindfulness from a practical perspective, with real workplace skills Discover how leaders from around the world practice mindful leadership every day Understand the neuroscience link between mindfulness and great leadership Learn practices that deliver a deeper sense of integrity, authenticity, fulfillment and bottom-line results improvement Mindfulness provides real, practical tools for self-awareness, mental wellbeing, stress reduction and more. When practiced through a leadership lens, it becomes much more than just another leadership guide. Mindfulness transforms leadership as a whole, delivering real, lasting change that transcends typical leadership training. For a clear, concise framework of mindfulness at work, *The Mindful Leader* is the ideal guide for those serious about effective, sustainable leadership.

"A great book for wise and effective leadership. Dynamic, insightful, practical and visionary." - Jack Kornfield PhD, author of *The Wise Heart*
