Moorad Choudhry : The Money Markets Handbook: A Practitioner's Guide (Wiley Finance) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Money Markets Handbook: A Practitioner's Guide (Wiley Finance):

In The Money Markets Handbook Moorad Choudhry provides, in one comprehensive volume, the description, trading,

analysis and calculations of the major markets around the world, providing worked examples and exercises throughout to provide a landmark publication on this important topic. Unique features, including a list of conventions and trading rules in virtually every market in the world, means that this book is relevant to virtually every money market in the world. Includes an in depth treatment of repo markets, asset and liability management, banking regulatory requirements and other topics that would usually be found only in separate books. Written with clarity in mind, this book is vital reading for anyone with an interest in the global money markets. Features coverage of derivative money market products including futures and swaps, and the latest developments not covered in current texts.
