George A. Fontanills : The Options Course Workbook: Step-by-Step Exercises and Tests to Help You Master the Options Course (Wiley Trading) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Options Course Workbook: Step-by-Step Exercises and Tests to Help You Master the Options Course (Wiley Trading):

2 of 2 people found the following review helpful. Not really what I was looking for. I am ...By Paul HauserNot really

what I was looking for. I am a former Broker preparing for my Series 7 again, and was looking for a workbook which would provide me with some examples of option strategies, explain the inner workings and how to calculate breakeven, maximum loss and maximum gain, in addition to, and most importantly, providing some EXERCISES of SAME. This book is VERY LIGHT on exercises related to option Strategies.0 of 0 people found the following review helpful. Great help for leaning optionsBy Beach BikerNice book, I like the quizzes so far and I like being able to test my knowledge to make sure I remembered the material.0 of 0 people found the following review helpful. The Options Course Workbook: Step-by-Step Exercises and Tests to Help... I like itBy CustomerI won't be using this until I am further along with the "The Options Course" which won't be any time soon because it is a very big book with a lot of information that requires rereading and memorization if I am really going to make the knowledge mine.

A comprehensive study companion to The Options Course, Second Edition In The Options Course Workbook, Second Edition, George Fontanills offers a wealth of practical exercises that will help further the readers' understanding of options, as well as test and apply what they've learned before they take their first step into the real markets-where time and money are luxuries they cannot afford to lose. This hands-on companion to The Options Course, Second Edition includes a complete answer key and covers a wide range of options issues. George A. Fontanills (Miami, FL) is the President Emeritus of Optionetics, the world leader in Options Education, with offices around the world specializing in teaching high-profit, low-risk, low-stress option trading strategies ([www.optionetics.com](http://www.optionetics.com).) George also runs a hedge fund and money management company. He has written many books, including Trade Options Online (0-471-35938-6), The Volatility Course (0-471-39816-0), The Volatility Course Workbook (0-471-39817-9), and The Stock Market Course (0-471-39315-0)
