**From Palgrave Macmillan :** The Palgrave Handbook of Research Design in Business and Management before purchasing it in order to gage whether or not it would be worth my time, and all praised The Palgrave Handbook of Research Design in Business and Management:

The Palgrave Handbook of Research Design in Business and Management uses a new state-of-the-art research design typology model to guide researchers in creating the blueprints for their experiments. By focusing on theory and cutting-edge empirical best-practices, this handbook utilizes visual techniques to appease all learning styles.
