Max Eggert : The Perfect Interview: All you need to get it right the first time (Perfect (Random House)) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Perfect Interview: All you need to get it right the first time (Perfect (Random House)):

0 of 0 people found the following review helpful. Got Him The JobBy Amber KingMy husband recently graduated from college and he and I both read this book to help him prepare for his interviews. By far the best interview book I have read. It not only goes over popular questions but how to prepare in all areas including appearance and body

language in the interview, what to bring, what to ask, etc. My husband particularly loved the phrasing of examples given of popular questions in interviews. He felt very confident going into his interview knowing he had prepared well. And he got the job! 0 of 0 people found the following review helpful. Basic interviewing tips By Rhonda B Basic interviewing tips for those just starting out. For example, do you really need to be told to wear a suit, bring a copy of your resume/CV, or research the company you are interviewing with? If so, this book's for you. But then, so is the internet, where all of these "tips" are available for free. Perhaps there is really nothing new to say to those learning how to perfect their interviewing skills, and if so, the best advice I can give to everyone (and myself) is to practice in front of a friend who can give you constructive criticism. 0 of 0 people found the following review helpful. Well researched, structure and presented By GSThis is a very helpful book in that it is structured in such a way so that you can go directly to your area of interest knowing that it is based on the latest academic research on the subject. Whilst theoretically correct the book is very pragmatic and skills orientated to assist the reader develop competencies in the areas in which they may be weak or they might wish to strengthen. For one's personal development this book is well worth the investment.

Perfect Interview is an invaluable guide for anyone who's applying for jobs. Written by a leading HR professional with years of experience in the field, it explains how interviews are constructed, gives practical advice about how to show yourself in your best light, and provides real-life examples to help you practise at home. Whether you're a graduate looking to take the first step on the career ladder, or you're planning an all-important job change, Perfect Interview will help you stand out from the competition. The Perfect series is a range of practical guides that give clear and straightforward advice on everything from getting your first job to choosing your baby's name. Written by experienced authors offering tried-and-tested tips, each book contains all you need to get it right first time.

From the Inside Flap Success at a job interview is determined by preparation and presentation. This guide shows you how to take control of both factors. About the Author Max Eggert is a psychologist and international consultant specializing in human resource management, interim management, and outplacement.
