Harold Kerbo : The Persistence of Cambodian Poverty: From the Killing Fields to Today before purchasing it in order to gauge whether or not it would be worth my time, and all praised *The Persistence of Cambodian Poverty: From the Killing Fields to Today*:

Since the tragedies of the "killing fields" and the reign of the Khmer Rouge, the global community has

largely ignored the social issues plaguing Cambodia. Though the infamous killings have largely stopped, poverty and corruption are rampant in contemporary Cambodia. This book includes a short history of Cambodia and covers the systemic nature of its poverty, and the contrasting economic success stories of Vietnam and Laos. This book is particularly relevant to those interested in the broader issue of eliminating world poverty.

"few books on Cambodia have excited me as much as this one in recent years...worth reading and a highly valuable contribution to our understanding of poverty and its root causes in Cambodia"--Contemporary Southeast Asia.
About the Author
Harold R. Kerbo has been a professor of sociology at Cal Poly since 1977. He has been a Fulbright professor in Japan, Thailand, and Austria, and a visiting professor in Great Britain, Germany, Austria, Switzerland, Thailand and Japan. He is the author of numerous books.
