From Asian Development Bank : The Political Economy of Economic Reform in the Pacific: Executive Summary (Pacific Studies) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Political Economy of Economic Reform in the Pacific: Executive Summary (Pacific Studies):

This collection of studies on the political economy of Pacific island countries was authored by writers from various

disciplinary backgrounds. Their research confirms the results of political economy studies of economic reform in developing countries from elsewhere around the world and shines new light on the kinds of obstacles that have to be overcome for economic reform to be successful in the Pacific. This publication presents many valuable lessons for agencies assisting in the economic development of Pacific island countries.
