Mansfield Edward D : The Political Economy of International Trade (World Scientific Studies in International Economics) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Political Economy of International Trade (World Scientific Studies in International Economics):

This volume includes many of Edward D Mansfield's contributions to research on the political economy of trade. Among the topics addressed are the effects of power relations and international economic institutions on trade flows, the influence of domestic politics on trade policy, the factors that shape the mass public's attitudes toward trade, and the determinants of the formation and expansion of international trade agreements. The Political Economy of International Trade is an essential reference for scholars and graduate students interested in the international political economy.

From the Inside Flap This volume includes many of Edward D Mansfield's contributions to research on the political economy of trade. Among the topics addressed are the effects of power relations and international economic institutions on trade flows, the influence of domestic politics on trade policy, the factors that shape the mass public's attitudes toward trade, and the determinants of the formation and expansion of international trade agreements. The Political Economy of International Trade is an essential reference for scholars and graduate students interested in the international political economy.

About the Author Edward D Mansfield is the Hum Rosen Professor of Political Science and Director of the Christopher H Browne Center for International Politics at the University of Pennsylvania. His research focuses on international security and international political economy. He is the author of *Power, Trade, and War* (Princeton University Press, 1994), *Electing to Fight: Why Emerging Democracies Go to War* (with Jack Snyder) (MIT Press, 2005), and *Votes, Vetoes, and the Political Economy of International Trade Agreements* (with Helen V Milner) (Princeton University Press, 2012). He is also the editor of fourteen books and journal special issues, and has published over ninety articles in the *American Political Science*, *British Journal of Political Science*, *Comparative Political Studies*, *International Organization*, *International Security*, *International Studies Quarterly*, *Journal of Conflict Resolution*, *World Politics*, and various other journals and books. The recipient of the 2000 Karl W Deutsch Award in International Relations and Peace Research, Mansfield has been a National Fellow at the Hoover Institution and his research has been supported by grants from the Harry Frank Guggenheim Foundation, the Mershon Center, and the United States Institute of Peace. He is co-editor of the University of Michigan Press Series on International Political Economy and was an Associate Editor of the journal *International Organization*. He has been a Term Member of the Council on Foreign Relations, a member of the Graduate Record Examination Political Science Committee, and Program Co-Chair for the 2001 annual meeting of the American Political Science Association. Mansfield received his BA, MA, and PhD from the University of Pennsylvania; and before joining the faculty there, he taught at Columbia University and Ohio State University.
